VERI

The future of AI hinges on… Jensen Huang’s sex life?

The Verge AI +1 source 80%

I would prefer that these people's sex lives were none of my business but I guess we have to talk about Jensen Huang and the National Security Incident. Who could have guessed that the guy who was out here signing titties might not have great judgment about how to behave around...

CONF

Show HN: Recalc – Spreadsheet where cells can be Claude Code or Codex terminals

HackerNews 50% HN 30

I built this because it was useful for me when building evals/benchmarks, and I decided to put it up for free for others. The goal was quite simple, make it easy to use a lead claude code / codex session in a panel on the side, while allowing every cell to also be a terminal...
