Anthropic releases Opus 5 with ‘close’ to Fable 5’s capabilities

The Verge AI

+1 source

80%

Weeks after Anthropic's latest toe-to-toe with the US government, and days after an OpenAI security incident that dominated tech industry discussions, Anthropic on Thursday released its newest model, Claude Opus 5. The company said in a release that Opus 5 "comes close to the...

Midjourney bought the astrology app Co-Star

The Verge AI

+1 source

80%

Midjourney, which has gone from generating AI cat images to full-body ultrasound scans, is getting into a new field: astrology. The AI startup announced on Thursday that it has acquired the personalized astrology app Co-Star, as reported earlier by Bloomberg. Co-Star is a free...
