

Pipeline

Scrape HackerNews (Show/Top/New), Reddit (r/artificial, r/MachineLearning, r/singularity, r/LocalLLaMA), TechCrunch AI, VentureBeat AI, MIT Tech Review, The Verge AI, Wired AI, ArXiv CS.AI

Filter 40+ AI keyword patterns — LLMs, alignment, safety, research, tooling

Dedup Title-similarity (45% threshold) merges cross-source variants

Score Authenticity = 0.5 base + 0.3 per extra source + diversity + HN score bonuses

Rank Sorted by authenticity. Below 0.25 threshold are dropped.

Authenticity Tiers

- **VERIFIED** 0.80 - 1.00 3+ independent sources including media
- **CONFIRMED** 0.50 - 0.79 2 sources or 1 high-quality media
- **EMERGING** 0.25 - 0.49 Single-source; passes AI keyword filter

Source Breakdown

Source	Articles	Category
HackerNews	10	Community
TechCrunch AI	3	Media
The Verge AI	2	Media

Anthropic wants to develop its own drugs

The Verge AI

+1 source

80%

At the event "The Briefing: AI for Science" earlier this week, Anthropic announced Claude Science, a new "AI workbench for scientists" that pulls fragmented tools and datasets into one environment, and generates figures and visuals. Anthropic, already dominating the industry...

HN 36

Hey HN, A few months ago, I tried to automate some of my work with the popular AI agent OpenClaw, and then I quickly realized how difficult it is to get it to work with APIs and third-party services securely, which is essential for a lot of work-related tasks. Then I realized...

Cloudflare's new policy pushes AI companies to pay for publishers' content

TechCrunch AI 50%

Cloudflare is giving AI companies until September 15 to separate web crawlers used for search from those used for AI training and agents, or risk being blocked by default on many publisher sites.

A behind-the-scenes look at Midjourney's medical scanner leaves many questions unanswered

The Verge AI 50%

Midjourney has shown more of its futuristic medical scanner. It still hasn't shown much proof it works. The AI startup, best known for generating images, released a behind-the-scenes video of its dunk-tank ultrasound scanner, which it plans to deploy in spas and hopes will...
