MODEL RELEASES & RESEARCH — 10 stories

1 Show HN: Kstack - Skill pack for monitoring/troubleshooting K8s in Claude Code

Hi All, Recently I've been using Claude Code a lot for debugging cluster issues and I realized I was performing similar tasks repeatedly so I decided to package them up into skills so I could call them up more easily (e.g. ``/investigate``, ``/audit-security``, ``/audit-outdated``)....
