Trump and Mike Johnson think the AI industry is overreacting

The Verge AI

+1 source

80%

Yesterday, Anthropic CEO Dario Amodei published a lengthy open letter saying it was time to "pace the frontier" and slow down AI development. OpenAI's Sam Altman and Elon Musk both agreed, publicly voicing their support on X. Even Alphabet's Demis Hassabis offered tentative...

Obama urges Democrats to have a 'clear plan' for AI safeguards

TechCrunch AI 50%

Obama recently said that Democrats need to make artificial intelligence one of their “central agendas” and “have a very clear plan” to address concerns around the technology’s economic impact and safety.
